Our Vision is to be an extraordinary spiritual gathering place where people of all backgrounds and ages are welcome to question and learn, pray, worship and serve; being loved by God in ways that change and improve their lives and the lives of others.

Dear Sisters and Brothers in Christ,

Okay, who expected another full year of pandemic when we got vaccines the first month of 2021, and really good ones at that. It’s made for a long year for all. A challenging year for many. A tragic year for some, and God has wept with you, with us. God has not abandoned us. Your persistence is seen, and you are to be congratulated. Hope is real.

There have also been great joys: our families have welcomed new babies, and weddings and baptisms have happened. We have also carefully returned to in-person worship, and we have welcomed Mtr. Kathryn as our Interim Associate for Education and Discipleship. The energy and opportunity of new Episcopal/Lutheran campus ministry at Wayne State, College for Creative Studies, University of Michigan – Dearborn, and Henry Ford College. Pastor Ben Adams is doing excellent and engaging work. We anticipate with great excitement the Venerable Timothy W. Spannaus, Archdeacon of the Diocese, joining us as deacon at the Cathedral. The launch of the Detroit Church Partnership with All Saints, Detroit, and St Matthew & St Joseph, Detroit, celebrates the unfolding of “church new,” and we get to be a part of it. Wow!

Oh, there are challenges to be sure. I hope we will embrace them as gospel opportunities. Opportunities for each of us, and for our community of faith, to be a part of the dismantling and the healing of racism and the marginalization and diminishment of people for any reason, and wherever it is rooted – personally, in our institutions, in education, in government – anywhere and everywhere it exists. We are called to seize upon the gospel opportunity to create common sense laws and structures to create a safer community and world by reducing gun violence. It is a gift we can give to everyone, especially our children. Along the cafeteria row of gospel opportunities, we can choose to reduce and eliminate educational disparity and food insecurity. We can dismantle barriers to quality mental and physical healthcare for all people, and barriers to full voting rights and access. There are more. One person’s plate cannot hold them all, but each plate can hold some. That’s the thing about gospel opportunities: there really is something for each of us, and they all matter. It can start with being kind and understanding with others, especially those who may be strangers in our lives. There is never too much kindness; there is never too much nice.

I say this often: We don’t make the journey alone. We are always interdependent on God and one another, and we make our way together. To those who share the path, the Wardens and Vestry, the
Clergy and Staff, the Bishop and Chapter; a loving, supporting family, to the many of you who serve God and love others through this place, and still others for all they are and all they do, thank you.

So, it will come as little surprise to you that somewhere in me there is Episcopal/Anglican DNA. I don’t think biologists have identified the gene, but I know it is there. The past two years have reminded me that praying in structured ways helps calm me, and it prepares me to move more gently into the fray. Praying Noonday Prayer and Compline, as simple and as constant as they are, help to ground me. I am grateful to all who have, and continue, to take up this ministry. (In 2021 we offered via livestream over 740 opportunities to pray and worship.) Like many, I have bits and pieces, prayers, poetry, and prose, that I use as a part of this. One is a piece I included last year in this letter. It has remained a constant through this year as well. It is by Amanda Gorman, from the end of her poem “The Hill We Climb.”

Our people [We, us, the Church, this Cathedral] diverse and beautiful will emerge battered and beautiful.
When day comes, we step out of the shade of flame and unafraid.
The new dawn balloons as we free it.
For there is always light, if only we’re brave enough to see it.
If only we are brave enough to be it.

Prayer at its best leads us to act. It points us to gospel opportunities. I remain certain that the audaciousness of God’s love can make us whole. I pray each of your hearts will be filled with faith and hope. Now go, do justice, love mercy, and walk humbly with God. There is always light … God’s light … be brave enough to be it.

Your dean and your brother in Christ,

Nominations from the floor are possible, under the following conditions –

- The individual must be present to accept the nomination.
  A nomination does not have to be seconded.

- The person must meet the requirements established by canons and the vestry before being added to the ballot. The Treasurer will meet with the potential nominee to determine if all criteria have been met prior to placement on the ballot.
Mike Dagle
I began attending the Cathedral around six years ago. In that time, I've helped with audio-video, adult education, lay preaching, and served on the Vestry. I'm particularly interested in adult education and formation in the parish classroom and through historic resources and practices such as the Daily Office. I live in Berkley with my wife Angela and children Caleb (away at school), Layla, and Isaiah.

Frank E. Kong
Having moved to Michigan from the East Coast, I started attending the Cathedral in 1992 and was baptized here a year later. I have served two three-year terms on the Vestry and at various times on the Cathedral Foundation, Cathedral Community Services, and the choir. Currently I am on the Finance Committee (on which I also served in the past). I have resided in Detroit's Boston-Edison district since 1994 and have volunteered in the community for Habitat for Humanity, The Greening of Detroit, and the Michigan Opera Theatre. Professionally, I have a Bachelor of Science degree in Electrical Engineering and an MBA in Finance. I owned and operated an engineering company from 1996 through 2014.

Michael Piggins
I have been a member of the Cathedral since 2017 and my wife, Carmen, and I were married here in July of 2019. Since joining, I have been involved with the Cathedral Ushers, volunteered at Noel Night (pre-pandemic), and regularly attend the 11 a.m. service with my wife. Carmen and I have developed many friendships here, and, if elected, I look forward to serving this wonderful community. As a former Wayne State student and resident of Detroit for nearly a decade, I have seen the impact that the Cathedral has on the Midtown community. I hope to be able to use my own experience and abilities to help further increase the Cathedral's impact on those in our Midtown and greater Detroit communities.

Robert Williams Prout
Born and raised in White Plains, New York, I attended General Motors Institute in Flint and worked as an Engineer for GM until I retired in 1999. I also served as a Navy pilot during the Vietnam War and, afterward, stayed with the reserves until 1986. My wife, Sandy, and I have been part of the Cathedral community for almost 15 years. Although my ancestors on both sides were pretty much always Episcopalians, there were many early generations on my dad’s side that were Congregationalists. I love the music here at the Cathedral and have always felt most at home with the liturgy we use in the Episcopal Church. Serving at the Cathedral is a privilege and a wonderful way for me to be thankful to God for the great life I have lived. I previously served on the Vestry for two full terms, and at 79 years of age, feel capable of serving another three years.
Convention Candidate Biographies

Elaine Belz
As a member since 1998, I currently serve on the Vestry and the Diocesan Commission on Ministry. I’ve served as Diocesan Convention delegate twice, and to the Special Convention to Elect a Bishop. I enjoy networking and working with people throughout our diocese and have thoroughly enjoyed my previous and current diocesan work. I currently serve as a lector and member of the choir and have past served as verger and Eucharistic minister. When not at church (or on a church-related call), I teach at the Ecumenical Theological Seminary on Woodward Avenue. I’ve been teaching theology there since 2017 and now also teach Church history.

Emery Dumas
I came to the Cathedral Church of St. Paul about 10 years ago and found a church and spiritual home. My involvement in the life of the Cathedral has included serving on the vestry and chapter as an Acolyte, Lay Reader, Lay Eucharistic Minister, and Thurifer. I am part of the team of Cathedral Vergers and currently serve as Head Verger. I am also involved in the wonderful Altar Guild ministry, working to ensure our Cathedral space is ready for worship. One of my ministry efforts at the Cathedral has been to join with others in establishing a 20-30 Something fellowship group to share opportunities to socialize (even virtually), explore common interests, and engage in community and Cathedral projects from time to time. My husband and I were married at the Cathedral in 2018, and our son Ezra was baptized on All Saints Sunday, November 2021. I am employed with Mission Point Healthcare Services as the Regional Director of Operations for their assisted living portfolio. In my spare time, I enjoy spending time with my family, cruising to warm destinations, and eating a fine meal with friends at locally owned restaurants throughout the metro-Detroit area.

Mary Grahame Hunter
Mary Grahame Hunter has attended the Cathedral Church of St. Paul since 2007. She has previously served as an acolyte and a diocesan convention delegate. She is currently a lector and a member of the choir.

Sr. Margaret Ruth
I have been an active member of the Cathedral since 2016. In that time, I have helped Dean Hunter with Lenten classes, became an acolyte, and joined the Altar Guild. I have also served as a lector, been part of the healing ministry, and participate in the Saturday lunches. I took my vows as a Professed member of the Anamchara Fellowship this past June. Last year I was elected to the Vestry and am on Chapter and it has been a privilege to serve in this capacity. I have served as Diocesan Convention delegate and look forward to continuing to serve the Cathedral and its parishioners in any way I can in the coming year.

Don Wiggins
Over 50-years with the Cathedral, I’ve served six terms on Vestry, one year as Senior Warden, three years as Cathedral Treasurer, and am currently serving a second consecutive term on the Chapter. I’ve served five years on Diocesan Council and have been a delegate to Convention several times. As a 20-year former mentor of Education, I guided nearly 40 persons from various congregations through the four-year program. Our Cathedral parish is a vital part of what the diocese is and does and annual conventions are how and when the Church in southeast Michigan gathers and makes decisions about its future.

Please fold only once in half
You made things possible. No one really expected another full year of this pandemic, especially with the rollout of an extremely safe and accessible vaccine in early 2021. Congratulations to all who supported the mission and ministry of this Cathedral in so very many ways – praying, contributions, leadership, volunteering. Faithfulness in support and return to in-person worship for those who feel ready to do so, and continued faithful virtual worship and participation is vital. Non-pledge giving and general offering were more than budgeted, and pledge giving was about even. Thank you. Thank you. Thank you!

We were cautious with spending. We were under budget overall, which makes the year look better than it was by showing a surplus. Our Interim Associate for Education and Discipleship (welcome Mtr. Kathryn) did not come aboard until September 1, so 2/3 of that budget line was not spent. Music saw an increase and contributed in major ways to our life together over the year, but it was not up to full programming level in the 2021 budget. We show little spending Outreach, which is misleading. Donor restricted funds covered costs of the Hot Meals for Hungry people program, so dollars where not drawn from the operating budget. We also did a great job of partnering with others to make a difference in ways that don’t appear on the Cathedral Parish budget. We also remained very expense aware with the huge unplanned Terrace Level water damage. A project not yet fully complete, and there is still another $25,000 or so needed to finish it. Financial strains on the Chapter are significant. That budget starts the year with a $70,000 deficit. Like 2020, 2021 is not a year to use for comparison to other years going forward!

Online and Virtual are here to stay. It is important to note that going forward our expanded virtual/online worship presence is here to stay. Perhaps a side-effect of all this is to bring us rushing into the use of new tools and technology for the 21st century, and with these advances come new associated costs. Improvement and enhancements still need to be made.

Growth in Stewardship is key. While we are certainly sensitive to the economic impact and crisis brought on by the pandemic, it is important to not lose sight of this reality: our prime area of opportunity and challenge in financial ministry is not in decreasing expenses, but in continuing to expand financial stewardship through robust pledging, and annual and legacy (end of life) giving.

Legacy Giving Impact: We are very grateful for thoughtful preplanning and legacy gifts received though the efforts of Kathy Konosky and Ken Homburg. Through their forethought they continue to have a significant impact on the life and witness of the Cathedral. For instance: the Cathedral was able to make a named investment, creating the Kathy Konosky Legacy Fund in the Justice Fund Initiative, a new economic justice initiative with Michigan Opportunity Resource Fund (formerly the McGhee Fund). Ken Homburg legacy giving will contribute considerably to the Cathedral Endowment Fund at the Community Foundation for Southeast Michigan, seeding a fund for major repairs and improvements for the Cathedral. (God rest their souls.)

The Cathedral remains debt free. All PPP loan funds being 100% forgiven.

The 2022 budget reflects the highest and best stewardship of a committed vestry, while pressing forward a vision to be an extraordinary spiritual gathering place in new and fascinating ways. The Green Trust’s growth in 2021 has been outstanding moving from 10.4
million to just over 12.08 million. Its impact has brought us closer to a balanced budget than we would otherwise be, and we are grateful for Les and Edith Green’s vision in this legacy gift. The cathedral would be in a frightful position without it. **It must be said, we remain too dependent on it year to year.** If the value of the trust has remained the same, which was a prior all-time high, our economic position would be dire (our revenue would be $95,000 less than you see in this year’s budget).

- **Our commitment to mission and ministry remains!** We have persisted, and above all with your participation and support, God has provided.

Increase your giving by 28% without it costing you a dime!

Too good to be true. Absolutely not. With a bit of planning and the help of a little known IRS rule, you can give up to 28% more to charities at no cost to you. About 5 years ago Congress passed a law to make the Qualified Charitable Distribution a permanent feature of our tax code.

- First you have to be at least 70 ½ years old.
- Second you must have some retirement savings in a conventional IRA (Individual Retirement Account). This strategy cannot be used with a 401-K or 403-B.
- Third you have to have set up a QCD (Qualified Charitable Distribution) before the end of each tax year.

What all this means is that you can give proceeds from your retirement account directly to the church or another qualified charity and no income tax will be due on these funds. In addition you can still use the standard deduction when you file your taxes.

For example let’s say you were to give the church $3,000 in given year. This alone is not enough to exceed your standard deduction, so you most likely will be using the standard deduction on your tax return. If in the 22% tax bracket you would need $3,846 to cover this gift. ($3,000 for the church & $846 for the IRS). By using the QCD you can give the church the entire $3,846 (no tax will needed to be paid on it and you will still be able to take the standard deduction). Your gift would now be $846 more than the original $3,000. That’s a 28% increase. If you aren’t in the 22% tax bracket the savings aren’t as great, but they are still significant and doing this is very worthwhile. And finally, as you age, you will find that the government will force you to take an ever increasing RMD (required minimum distribution) from your IRA’s. Any withdrawal, including a QCD can be used to meet this requirement.

Are you worried about extra paperwork or having to fill out more forms? Don’t; no additional forms are required, all you need to do is add one more entry on your 1040 form, That’s it! Remember that the donation must be given to the charity directly by the financial institution. It can’t be sent to you first!

If you are not yet in your seventies, now is the time to be planning, by making sure at least some of your retirement savings will be in an IRA. If you have any questions see Bob Prout.

Re:  Planned Giving Affirmation

Dear Dean Hunter:

This will advise you that I have made provision for a gift to the Cathedral Church of St. Paul or to the endowment fund for its benefit within the Community Foundation for Southeast Michigan, as part of my estate plan.

Further information concerning this gift will be made available to you at the appropriate time through my ______________________ .

3 New & Exciting Ministries

The Detroit Church Partnership – With the concurrence of our Vestry, and the wardens and vestries of All Saints’ Episcopal Church and St. Matthew’s & St. Joseph’s Episcopal Church, the beginning of a clergy-sharing partnership between these congregations and the Rev’d Anthony Estes. Beginning February 1, 2022, Fr. Anthony will serve as Rector of All Saints and St. Matthew’s & St. Joseph’s, and as Associate and Partnership Missioner at the Cathedral Church of St. Paul.

The virtues and benefits of sharing resources between parishes is not unknown to our Diocese. And now, more than ever, God calls us to walk alongside each other intentionally for the furtherance of God’s mission in Southeast Michigan. After much prayer and counsel together, everyone is excited for the possibilities this partnership will bear for these congregations and for the life of our diocesan household. This new and creative approach to ministry sharing between congregations seeks to empower deeper spiritual engagement and growth, strengthened and expanded worship and education opportunities, and the development of new ways of reaching into the community and city to share Christ’s love in life-changing ways. Expect to hear more about this new thing and hear from Fr. Anthony in the coming weeks.

Fr. Anthony currently serves as Associate Rector at Christ Church Detroit, and his cure will end there on January 16th, 2022. There will be a Service of Welcome for Fr. Anthony held at the Cathedral Church of St. Paul on Sunday, February 6, 2022, at 4 PM with Bp. Perry presiding.

Diaconal Ministry at the Cathedral – As many know, Dcn. Shaffer has been on leave for several months. During that time, he has been working and discerning with Bp. Perry and Archdeacon Spannaus on the direction and growth areas of his ministry. That discernment has led to the conclusion of his time in ministry here at the Cathedral. Please join me in continuing to hold him in our prayers for on-going discernment and thanksgiving for his time here, and his impact most particularly at Mariners Inn and St. Anne’s Mead.

It is a joy to tell you that the Venerable Timothy W. Spannaus, Archdeacon of the Diocese of Michigan, has discerned a call to diaconal ministry at and from the Cathedral Church of St. Paul. For some time, he and the Dean have been praying and sharing that discernment, and Bp. Perry has affirmed this as well. He begins his work with us on January 30, 2022. A blessing of this new ministry will take place a little later in the year.

Deacon Tim comes to us from a long, healthy, and vital ministry at St. John’s, Royal Oak. We thank them for the life and witness they shared together, and hope to continue that witness of love, creativity, and hope. A longtime member of the faculty at Wayne State, though recently retired, he comes to us with both a familiarity and love for our Midtown community. He has a deep passion for EFM (Education for Ministry) and for developing pastoral care gifts in congregations. He is a credentialed trainer for Stephen Ministry, a ministry of well-equipped and intentional pastoral caregivers. In his work as Archdeacon, we will have to share him some
Sundays as he journeys with Bp. Perry, but that too seems very consistent with what we are called to be as a Cathedral. Look more from Deacon Tim!

**Campus Ministry at Wayne State, University of Michigan-Dearborn, Henry Ford College, College for Creative Studies**

Over the summer a joint Lutheran-Episcopal campus ministry through the SE Michigan Synod (ELCA) and the Diocese of Michigan focusing on our Midtown campuses as well as campuses in Dearborn was announced. The Rev’d Ben Adams began work shepherding this ministry. He comes with experience in urban campus chaplaincy with campuses in Chicago. Already, Pastor Ben and students from Wayne State are actively supporting our Hot Meals for Hungry People on Saturdays. When circumstances allow, they will be using the Cathedral as a gathering point for expanding activities. His formal installation as campus minister will happen on Saturday, January 29, 4:30 pm, at St. Paul Lutheran Church in Dearborn, but so much is already happening. So delighted for the energy and ministry taking place.

So much to celebrate! So much life and energy within this community of faith to share with others!
Committee & Ministry Reports

Altar Guild
This small band of saints continues its behind-the-scenes work preparing vessels and linens for worship services. This past year we began marking linens for the appropriate altars and reorganizing the North sacristy. We meet only on an as-needed basis and could really use some new members! If you would like to learn more about this ministry, please find me or any of the members of the Guild. We will provide on-the-job training and printed materials to help you.

Thank you to Altar Guild Members Phillip Allmond, Eunice Brooks, Bettie Chaney, Emery Dumas, Chris Hooker, Sr. Margaret Ruth, and Flo Williams, and to the many others who lend an occasional hand. Thank you as well to Dean Hunter, Sarah Simko and Canon Jeremy Tarrant, for your invaluable assistance.

Sr. Sharon Caedmon

Audio/Video Ministry
The Audio-Video Ministry is responsible for operating the equipment used in the livestream system. They assist with the microphones at most services and operate both video and audio for all livestreamed services and events. A rotating group of sound and video operators offer their time to help this Cathedral reach well beyond the walls of 4800 Woodward Avenue.

Our ability to offer a high-quality livestream allows people who are not able to worship in person to be a part of our services. It is a ministry of inclusion: it is important that everyone have an opportunity to worship with us, whatever their reason to not be present in the building. We have regular online viewership from all over Michigan and North America; in fact, our livestreams have been viewed worldwide! Not only is this an important ministry for the Cathedral but also for our Diocese, as not every church is able to offer a livestreamed option for their congregation.

In addition to their primary function of delivering a worship service via livestream, our video operators have made it a point to share the beauty of the building with each livestream. Our cameras can reach into areas of this Cathedral that the human eye cannot: close up shots of the beautiful stained-glass windows, or the affectionately named “Organ-Cam” are a few examples. Concert livestreams, with stereo audio broadcasts and superimposed titles, are yet another thing of beauty this Cathedral is able to offer more broadly because of the dedication of our volunteers.

This ministry has been and continues to be incredibly important to our work as a Cathedral as we reach people where they are, invite them in, and include them in our worship. If you are interested in being a sound or video operator, please contact me at ssimko@detroitcathedral.org.

All.together Detroit & Dearborn Campus Ministry (including Wayne State)
In just five short months it’s been amazing to see the growth and development of our campus ministry. I can’t say it was easy, but with the support of the Cathedral, St. Paul Lutheran Church in Dearborn, the Southeast Michigan Synod of the ELCA, and the Episcopal Diocese of Michigan, we have survived and even thrived as we have gotten off the ground.
Let’s take a moment to look back on this first semester to take stock of what we were able to accomplish, what was learned, and what lies ahead for All.together.

When we started on July 5, we referred to ourselves as the Dearborn & Detroit Campus Ministry. So, one of our first orders of business was to determine a name for our ministry and begin building an online presence where people could find us. Meeting with our initial students individually and collectively, we became All.together. The punctuation is a bit weird, but so are we. We believe the unique spelling communicates our commitment to welcoming all, period, which also led to our mission statement: **Boldly living out our belovedness together and welcoming all, period.**

From there we got to work to become an official student organization on Wayne State’s campus, which we achieved in October. One-on-ones with board members and alumni, students and faculty, clergy and college staff followed as we built visibility and relationships.

From this strong foundation we hope to build on the success of our Thursday night community groups and Monthly Evenings events with the Motor City Wesley ministry. We also hope to take more trips like those we took this year to Hell, Michigan and Eastern Market - setting our sights on Mackinac Island to immerse ourselves in the indigenous history and culture of Michigan. We will also continue the success we found by committing to a regular service opportunity that students can plug into. This semester we volunteered every Saturday with the Hot Lunch program at the Cathedral. And now, we already have a new idea for next semester - making 200 sandwiches monthly for the Noah Project Bag Lunch Program in Detroit.

We can officially call this semester a success, and there is still so much more potential ahead. In this next semester we target the following goals:

1. Build the board to eight members with four Lutherans and four Episcopalians.
2. Create a student leadership board with our dedicated student members.
3. Become a 501(c)(3) organization.
4. Create online giving opportunities through our website; set fundraising goals.
5. Complete at least 50 more one-on-ones before the end of the 2022 Spring semester.

While completion of these goals will not guarantee that our community will grow, it will certainly put us in a solid position to be ready to welcome new members of our community and new monetary gifts to sustain the vital work we are doing.

*The Rev. Ben Adams*

**Buildings & Grounds**

On June 26 our building experienced a massive amount of water backup due to heavy rains, when the Detroit Metro area received more than eight inches in under four hours. Our system was overrun. The lower Terrace Level backed up, and at one point, water was as high as eight feet in some areas. We enlisted the services of Servpro for water removal and drying, and their team of 25-30 was on site for two weeks. While Servpro was here, we also contacted a plumbing company to look at why we had such severe backup in certain locations. After many hours of camera and jetting work, they found a collapsed storm drain line that ran from the choir suite to the storm sump pits (about 120 feet). We proceeded to get quotes to fix or replace the storm line. After reviewing multiple bids, we determined the best route and work began on a trench 120 feet long, 6 feet wide, and 6 to 10 feet deep.
While running the new pipe, we encountered virgin clay, necessitating additional materials and labor to ensure the longevity of this repair. New pea gravel and crushed concrete was brought in to backfill over the clay in the trench. This required additional new flooring, which posed its own set of challenges due to supply chain issues and long wait times for supplies. Flooring finally did get installed and waxed for protection; carpet was reinstalled in other rooms.

In the middle of the flooring repairs, we responded one night to an alarm from the Terrace Level only to find that both of our storm water pumps had failed. I was able to get a temporary pump up and running so we would not flood again. This prompted a call to the company that has done major overhaul work on our sump pumps in the past, and we are still working with them to find the optimal solution and best cost to repair the old pumps – some parts for which are obsolete. We are currently looking at new pump options that may be less expensive to operate and maintain.

All this work would not be possible without the immense help we have received from Chapter leadership and the vast number of people who came together to work on this project. I would especially like to thank the Diocesan Council and Trustees, the Cathedral Foundation, and the personal donations we received.

Zachary Cummins

Cathedral Crafters and the Winter Warmth Outreach Project Ministry
The last year presented a real challenge to our Cathedral Crafters and their friends. Because of the ongoing COVID infection rate, we didn’t hold workshops or create opportunities to fringe fleece together, but we still had unity of purpose. Crafters and friends created over 400 warm items and brought them to the Cathedral. Each guest who arrived on New Year’s Day to pick up their take-away meal also selected a warm hat, hand-made scarf, or fleece hat/scarf set and a pair of gloves. Crafted hats and scarves were also available the two Saturdays after New Year’s Day, and items not distributed will be taken to Mariner’s Inn or to the Academy of the Americas (a Detroit Public School) for distribution. We are grateful for the love and the willing hands that made these gifts of love.

Dawn McDuffie

Cathedral Music Department, The Cathedral Choir School of Metropolitan Detroit, The Cathedral Music Society
While various aspects of Cathedral life have returned to a semi- “normal” state, the world is still very much in the middle of a global pandemic. As stated in my report for 2020, a record of our response to this pandemic is important. In the same report I first gave a chronology of the activities of all three areas of music prior to the pandemic, and secondly, a description of how we responded to opportunities for music ministry. What follows in this report is a continuation of that chronology.

January – June 2021
Sunday liturgies (11:00 a.m. Spiritual Communion and 4:00 p.m. Cathedral Evensong) continued to be livestreamed from the Cathedral without a congregation present. In addition to Canon Tarrant and Dr. Simko, a rotation of cantors helped us present as much live music as possible. This was supplemented with occasional virtual choir presentations, as well as archival recordings.
Canon Tarrant continued to host weekly Zoom meetings of the treble choristers and bi-weekly meetings with the adult members of the Choir, seeking to keep choir personnel engaged, and in some small way, to help stave off feelings of isolation. Several special presentations were part of these Zoom sessions, including those made by guests. Choristers enrolled in the Choir School’s piano program continued their lessons online, and in-person lessons resumed in the Spring.

Canon Tarrant and Dr. Simko served (and continue to serve) in the rotation of Officiants for daily services of Noonday Prayer and Compline offered on the Cathedral’s Facebook page. Music at Mid-day resumed in January 2021, first via livestream only, and then in an in-person and livestreamed format in September. We continue to offer these mini concerts on the second and fourth Fridays of the month (except in Lent), September through June.

July – August 2021
In-person worship resumed in the Cathedral in late-June. We were able to add small ensembles of singers to the 11:00 a.m. service by July, and the Cathedral Singers gathered on three evenings in July and August to sing the Office of Compline via livestream from the Cathedral. Earlier in the summer, Episcopal directives on singing were revised and choirs were allowed to resume rehearsals and sung services provided all singers were fully vaccinated and masks were always worn. (This continues to be the directive.) This change allowed Canon Tarrant to go forward with planning a full choir year.

Treble choristers met for four days in August for a day camp, led by the music staff, as well as chorister proctors, Ruth Podgorny-Richards and Klare Siple. Five choristers returned this year and have been joined by four new choristers.

The July flooding in the Terrace level meant that we had to evacuate the Choir Suite. A temporary space was made for the trebles in a classroom on the Ground level. Vesting for adults was in Barth Hall. All rehearsals took place in the Cathedral. As of this writing, we are moving back into the Choir Suite. While all vesting and treble skills sessions will take place in the Choir Suite, rehearsals will remain solely in the Cathedral, owing to the larger space.

September – December 2021
The Cathedral Choir resumed sung services on September 12. In addition to the normal pattern of the 11:00 a.m. service and twice monthly Choral Evensong, the choirs sang for the Veterans’ Day service on November 14, the Advent Procession on November 28, and Nine Lessons and Carols on December 19. Additionally, the choirs sang for the festal service on Christmas Eve, and a smaller group from the Cathedral Singers sang the Christmas Day service. We continue the practice of having a Cantor lead Cathedral Evensong, sung generally on the first and third Sundays of the month.

Other notes
By May of 2020, it was decided that the Choir’s planned trip to England in the summer of 2021 would need to be postponed to 2022. Further postponement of this trip has been made until 2023.

Sarah Simko joined the Cathedral staff in January 2020 as Interim Associate Organist. She played an enormous role in helping us with technology that allows services to be livestreamed, as well as developing strategies and procedures for use of technology. This interim appointment was extended through July 2022 and the position expanded to include much needed and extensive work in communications, including maintenance of the Cathedral website.
The Cathedral Music Society continues its role as a support arm for all aspects of our music program and is co-chaired by Paula Styer and Joseph Edmonds. Canon Tarrant serves as ex-officio and artistic director. In addition to the Music at Mid-day series, CMS produces a series of Cathedral concerts each season. Since June 2021 programs included:

- June 11 – an all-Bach organ recital played by Canon Tarrant
- October 10 – Songs of Justice and Peace – a benefit concert by the Cathedral staff singers and Schola Cantorum to support the Detroit Justice Center
- November 12 – Sarah Simko in concert

In closing, I wish to express my appreciation to our adult singers, our young choristers, and choir parents for their tireless commitment to music ministry. Their example not only continues to inspire me but has been an incredible support in this time of unprecedented challenges. Too, I thank those in our community for their kind expressions of appreciation and encouragement.

The Cathedral Choir School of Metropolitan Detroit

It is through the choir school program that the boy and girl choristers receive their music education in voice, music theory, sight-singing, and piano. The application of these studies comes through the choral music that the choirs sing in services and concerts. This opportunity for constant application and development of skills is a unique feature. The piano study program that remains part of the Choir School curriculum is offered to choristers who show a strong commitment and have successfully completed one semester in the Choir School program. They are offered first-rate instruction in piano and are awarded a 4/5 scholarship. Our program offers unique opportunities to supplement a child’s education in the arts, as well as the discipline that comes with artistic expression.

While originally planned for implementation in the Spring of 2020, a prep course for second graders will be added to the Choir School program in the next academic year, with the goal of preparing younger children for admission into the Choir; giving them and earlier start, as it were. The Choir School remains an incredible opportunity and tool for parish growth, and a very real way for us to connect with the growing communities in our immediate area. Too, it is very much the youth face of our church. What a very different place our Cathedral would be without the Choir School.

I cannot underscore enough the need for recruitment to be on our collective radar as a Cathedral community, and this includes the very real need for increased attention to promoting the Cathedral itself. Our number of new choristers must increase dramatically over the next year to ensure the longevity of this program. All our recruitment efforts must operate hand-in-hand; we all have a role to play.

Docent Team

Because of COVID-19, the Open Cathedral docent program has been suspended for nearly two years. We have, however, been able to hold a couple of small tours of masked and immunized groups - one for a high school and another for private tour company - and both were very well received. We have also held a couple of tours for individuals after the 11:00 a.m. service. By spring we hope to be able to safely restore the Open Cathedral program with our docents giving tours of our beautiful cathedral on Fridays.

Feeding Hungry People
We are delighted to celebrate a year of feeding hungry people in this new mode. In December 2020 we began providing take-away lunches outside in Cathedral Lane for 80 to 100 people each Saturday. Guests receive a hot meal, fruit, a granola bar, and a homemade cookie. While we look forward to returning to our Sunday breakfast program, there is much to celebrate with Feeding Hungry People. First, we are deeply thankful for Greg Reyner and his restaurant staff from Café Muse who come from Royal Oak to create a wonderful meal each week. Tim Johnson works with local food distributors to obtain protein for the meals and Carolyn Simon helps as back-up chef. Helen Trombley stepped up to make homemade cookies and she’s supplied cookies for an entire year! (We’re delighted that members of the congregation are now helping with cookie baking.)

WSU medical student volunteers continue to be invaluable in offering their clinic each month. Maureen Maniece, stationed at the front desk, helps in many ways, as does James Lett who also keeps the kitchen clean. Finally, the team who serve and set-up have been terrific. Thanks to The Reverend Ben Adams, Virgie Ammerman, Dave Baschal, Al Boglarsky, Chip Dischinger, Chris & Tom Ferguson, Mary Grahame Hunter, Glenn & Jeanie Miller, Sister Margaret Ruth, and Tuanda Ward-Holmes. And special thanks to Dean Hunter for nurturing this ministry and to Scott, Chip, Ben, and Tom for blessing our work and our guests with prayer each Saturday.

New Year’s Feast
Due to continuing COVID concerns, the 2021 New Year’s Feast was basically an extension of the regular Saturday lunch mission with additional volunteers to box the food and deliver the meals to the Cathedral Lane door for distribution. Further, as is our tradition, we also boxed 25 meals for our wonderful Wayne State Police. Our Saturday lunch partner, Greg Reyner, owner of Café Muse restaurant in Royal Oak, made delicious food for the meal, and parishioners baked cookies and brownies for dessert. We also distributed handmade scarves and hats for our guests. A good time was had by all!

20’s and 30’s Group
This past year, the 20’s and 30’s Group participated in group socials via Zoom (much like any other group did during COVID). Though unable to come together physically, folks met and enjoyed each other’s company online. In addition, we put out a call for volunteers to help with the vaccination clinics held on Saturdays at the Cathedral. We’re always looking for opportunities for fellowship and community engagement, so if you’d like to chat, please reach out to us.

Usher Guild
2021 was a difficult year for the Usher Guild. We’ve had only three teams to cover many services. Currently, we are very shorthanded for all but the 8:15 Sunday service and more volunteers are urgently needed. It’s not hard work, but it’s important work. We need people who are reliable and regular in their attendance. This does not mean you would be asked to serve every week or that you can’t take a vacation. It simply means that you would be willing to provide your availability and then do your best to follow the schedule. I welcome your questions and encourage you to prayerfully consider joining this vital ministry.

Bob Prout
My work as your Interim Associate for Education and Discipleship began on 1st September, about a week after my arrival in the USA from the UK. The role is wide-ranging and involves regular priestly duties in addition to the particular focus of developing a significant comprehensive CE&D program founded on four intentional and generative qualities: Discern, Equip, Empower, Participate. In the early weeks effort was devoted to reaching out and meeting with cathedral members with experience, need and expressed interest in education and discipleship. To date some real progress has been made despite the novelty of the program being set against an ongoing global pandemic. It has been a delight to engage with parishioners and staff, and to collaborate and move forward various CE&D projects:

- **Cathedral Library Team** From September this group meets regularly to assess the existing book and media collections and to develop a cogent reference and lending library. We plan, eventually, to draw in others through in-house training and volunteering.

- **Neighborhood Bible Studies** NBS is based on the principles of discovery and discussion in small groups using an inductive method of Bible study. Groups have been offered in person on Sundays (morning and afternoon) as well as online Tuesdays (daytime and evening) - 4 Bible Discussions in Times of Crisis, Giving Thanks in Hard Times, 4 Christmas Studies, NBS Taster Sessions, Mark: Discover Jesus. New NBS opportunities in 2022 to include: The Passion of Jesus, Genesis, Acts, Luke. NBS leadership is shared within the group and groups are designed to grow, multiply and reach out into local neighborhoods.

- **Healthcare Frontline Support Group** This online support group offers healthcare professionals spiritual support and pastoral care in a safe, confidential space, once a month, online, Tuesday evenings.

- **Diddy Disciples** - This is a creative and flexible programme for children (ages 0-8) and their families/carers/friends. The seven DD principles are Movement, Repetition, Our Voices, Spirituality, Church, Learning, Our Emotions. From February DD will be offered at the beginning of 11.00 Holy Eucharist.

- **Holy Knitting & Nattering** This group has developed from a five-week project, making an “audio retreat” using Living the Magnificat (PAYG), to an ongoing weekly session on Tuesdays. Creche sets were knitted, blessed and introduced at the Christmas services. The Holy Family travelled around the parish in December on “Las Posadas”. In 2022 additional Bible story sets will be created for the children’s soft play area in the cathedral. Presently, prayer shawls/squares and other projects, such as rosary-making, are in the works and our group membership is growing.

- **Advent Quiet Afternoons - Alpha & Omega** A pair of quiet afternoons were offered in the cathedral during Advent, employing music, poetry and art on the themes of Alpha and Omega, culminating in cathedral evensong.

- **Coloring Advent Calendars** 200 devotional coloring calendars from Forward Movement were distributed, along with boxes of crayons, to parishioners, visitors and neighboring congregations.

- **Gospel Imprint and SGM Lifewords resources** GI provides free downloadable resources and their collection of tri-fold brochures on topics of Christian Faith, Christian Prayer and Christian Life are both displayed in The Gallery and distributed to congregations at services. A literature stand is being acquired to improve visibility and accessibility of these excellent GI resources. We are in the process of acquiring and offering SGM Lifewords resources.

- **Spiritual Direction, Sacramental Confession, Blessings** My role has included 1-2-1 sessions by individual request in these and other related areas. Plans are being made to offer a spiritual direction group work (Ministry of Transformation) programme, from Lent onwards.

- **Other offerings in 2022 to include:** Spiritual Cinema, Faith Confirmed Course, Visual Commentary on Scripture Lent Course, Eco/Green Group, Sacred Ground (Racial Justice), Cathedral Theology Network, HeartEdge, Art Installation Projects for liturgical and other use, PizzaZ Youth Gatherings… and more!

The Cathedral Church of St. Paul 2nd Century Resolve

TOWER FUND & OUTREACH FUND

The establishment of the two funds below, The Proverbs Fund and The Matthew Fund, together bears witness to a Cathedral that is at the same time dedicated to the mission, ministry and perpetuation of this community of faith as a beacon for faith and symbol of God’s presence as a strong tower to this community, as well as a community that takes seriously our Lord’s commandment to love others – all others in all circumstances and to use our resources to improve the lives and conditions of every human being.

The Proverbs 18:10 Fund (also referenced as The Proverbs Fund or Tower Fund) Drawn from the verse it cites, “The name of the LORD is a strong tower; the righteous run into it and are safe” the Proverbs 18:10 Fund is intended to receive gifts for the funding of the design, building and lighting of the great tower of the Cathedral in a style consistent with the gothic architecture of the Cathedral, but not necessarily identical to the original R.A. Cram renderings. The final design must be approved by the Cathedral Vestry. All interest and other earnings of The Fund become a part of The Fund. The Proverbs 18:10 Fund allows for all donated monies and earnings to be expended to accomplish the purpose stated above. In 2021 a planned giving gift and other contributions contributed to the growth of this fund, which is invested through the Growth and Income Fund of the Trustees of the Diocese of Michigan.

The Matthew 22:39 Fund (also referenced as the The Outreach Fund) Drawn from the verse it cites, “And the second is like it, you shall love your neighbor as yourself” the Matthew 22:39 Fund is intended to receive gifts for the purpose of assisting, through new or pre-existing ministries, those whom Christ would deem our neighbors. The Vestry of the Cathedral shall determine the appropriate distributions from The Fund. This fund will receive donations until such time as the fund reaches a minimum principal of $25,000 (in dollars contributed and interest earned) dollars in the fund. At the time the fund reaches a minimum of $25,000, ninety percent (90%) of the annual earnings over and above the $25,000 principal may be used for the fund’s stated purpose, and the remaining ten percent (10%) is to be invested into the principal of the fund. When the fund, by virtue of gifts and earnings, reaches a principal amount of $250,000, then eighty percent (80%) of the annual earnings can be used for The Fund’s stated purpose and twenty percent (20%) is reinvested into the principal of The Fund.

Donors may contribute to either or both funds by directly and specifically.

If you are interested in giving to either fund, either through a direct contribution, or through planned (legacy) giving, please contact the Dean, a Warden, the Treasurer, or Jim Edwards. You may also return the bottom of this page to the Cathedral Office and we will contact you.

I am interested in supporting: ☐ The Proverbs Fund ☐ The Matthew Fund ☐ Both
Please contact me to discuss this opportunity.

The St. Paul Society

The St. Paul Society of the Cathedral is open to all members and friends of the Cathedral who have made arrangements to support the mission and ministry of the Cathedral Church of St. Paul in their estate planning or legacy giving arrangements. Wills, trusts and insurance are just a few of the methods people use. To become a member all you have to do is complete a letter (example below) and send it to the Dean of the Cathedral. It may be simple or detailed, but the important part is that we know of your intention and that we have appropriate contact information.

Scripture reminds us that everything we have comes from God and that we don’t get to take it with us when we leave this life. But we can continue to make a difference by helping sustain the mission and ministry of the Cathedral into the future. We ask your prayerful consideration and look forward to welcoming you into this important group. Please feel free to call Dean Hunter or Jim Edwards with questions or for referral to an appropriate tax professional.
